

## Motivating children with a variety of learning styles

EEO teachers use various modalities and fun tools to engage students. From movement and music to understand vowels... or shaving cream on a table to practice letter formation. The value of this small group instruction and attention results in exciting leads to inspired learning and greater success.

## Whats going on with EEO in 2018

- 130 students are part of small group instruction in 5 public schools across Eleuthera and Harbour Island ...individualized instructions to reach all learning styles!
- 110 hearing assessments so far in 2018... if you would like more information on scheduling a screening or a visit with pediatric neurologist , please contact us at EEOBahamas@yahoo.com
- EEO field trip for students to visit the "All that Jazz Festival " will take place on Friday April 12th . They will have the opportunity to meet musicians and learn about instruments

- Thanks to Trio Environments design firm, we have broken ground for our new EEO resource room in Bluff at North Eleuthera Primary !
